** (see below – the fund may need to switch to having a corporate trustee)

Directors Names (if applicable):

Address:

(If more than one Beneficiary/Super Fund, please indicate percentage interests in the Property – multiple trusts required)

IMPORTANT!

- Corporate and Trustee Minutes/Resolutions and explanatory Flow Diagram are recommended for the transaction.
- A new single purpose company should be used to carry out the sole function of being Trustee of this bare trust.
- The Trustee of this bare trust can not be the same company as the Trustee of the super fund or any other trust (other than another bare trust for the same client).
- Only one property or share in a property can be held in each bare trust.
- Most major banks now require a corporate trustee of the super fund. You can order this company, change of trustee deed and any necessary super fund update at the same time on the PantherCorp website.
- The super fund requires various powers in its rules to enter into a super gearing transaction. The current PantherCorp super fund deed and current PantherCorp super fund update contains these powers. Other deeds/rules may not.
- The location of the property will determine the governing law and location of the trust.
- Provision of this bare trust does not guarantee any particular financial, taxation or other outcome as Trainor Legal and PantherCorp do not provide taxation, accounting or superannuation advice (structure only).
