CORPORATE REGISTRY

Corporate maintenance of your companies is time consuming, unproductive, creates staff training issues and probably costs your practice money every year. Let PantherCorp relieve you of all these problems for as little as

\$78.10 PER COMPANY PER YEAR!

Depending on the number of companies we maintain for you, this low cost, efficient and hassle free service will provide all your corporate secretarial requirements (including review of the Annual Statement) regardless of the number of changes undertaken.

Table 1 below details the relevant costs associated with the number of companies and Table 2 provides a full list of the services provided.
